**#2 Summary:** The survey represents both short term and long term residents. About 1/3 have been residents in Ancram 10 or fewer years. Another 1/3 have lived in Ancram 11 to 30 years and about 1/3 more than 30 years.

3. If you live in the Town of Ancram, are you here full or part time?	Full Time	Part Time	Number of Answered Questions	Percent Answered (out of 434 returned)
	Number of Responses	285	131	416
Percent of Completed Answers	68.5%	31.5%		

**#3 Summary: The survey represents both full and part time residents – about 69% were full time. (In 2000, about 20% of Ancram’s houses were seasonal.)**

4. If you live here part time now, in the next 10-15 years, do you plan to:	a) live here full time	b) continue part time	c) move away	d) don't know	Number of Answered Questions	Percent Answered (out of 434 returned)
	Number of Responses	52	50	4	25	131
Percent of Completed Answers	39.7%	38.2%	3.1%	19.1%		

*(Note: 50 respondents answered this question who were NOT part-time residents. Their answers are NOT included here)*

**#4 Summary: For those that are now part time residents, 40% are planning on living in Ancram full time, 38% will continue part-time, and 19% don't know. A very small percentage of part timers are planning on moving away.**

5. Do you own or rent your home?	Own	Rent	Number of Answered Questions	Percent Answered (out of 434 returned)
	Number of Responses	406	11	417
Percent of Completed Answers	97.4%	2.6%		

**#5 Summary: The vast majority of participants own their homes. (In 2000, 80% of all housing units were owner-occupied so the survey under-represents renters.)**

6. If you own property, how many acres do you own:	a) Under 1 acre	b) 1 to 3 acres	c) 3 to 10 acres	d) 10 to 50 acres	e) Over 50 acres	Number of Answered Questions	Percent Answered (out of 434 returned)

(Note: 7 respondents answered this question that answered F in question 8. Their answers are NOT included here)

**#9 Summary:** More of the participants not retired said their occupation was in administrative, business or legal areas. Less than 10% were in construction or building trades, medical, or agriculture related occupations. Very few people indicated they were in retail, personal services, at the Ancram Mill, or homemaker. A large number of people listed “Other”. (This compares to 2000 Census showing 11% in agriculture and related fields, 13% in retail trades, 11% in construction, 23% in the health and social service fields.)

10. What is your age?	a) Under 21	b) 21-40	c) 41-65	d) over 65	Number of Answered Questions	Percent Answered (out of 434 returned)
Number of Responses	0	34	258	125	417	96%
Percent of Completed Answers	0.0%	8.2%	61.9%	30.0%		

**#10 Summary:** More participants were aged 41 to 65 than other age groups (62%). 30% were over 65 and about 8% were under 40 years old. There were no participants under 21 years. (In 2000, the Census had 17% of Ancram’s population over 65 years old and about 44% aged 41 to 65 years old and about 18% aged 21 to 40. The survey over-represents older residents and under-represents younger residents.)

11. How many children under 18 live with you?	0	1	2	3	4	5	6	Number of Answered Questions	Percent Answered (out of 434 returned)

14. If you said in Question 12 you think Agriculture is important, check all the actions listed below the Town should take to encourage agriculture:	a) Limit non-farm development in productive farm areas	b) Provide incentives for farmland to be preserved, including tax incentives	c) Facilitate the purchase of farmland or development rights from willing sellers	d) Organize activities to promote locally-grown farm products	e) Encourage development that is consistent with the protection of farmland	f) Other
Number of Responses	299	303	186	292	292	39
Percent of Completed Answers	68.9%	69.8%	42.9%	67.3%	67.3%	9.0%

**#14 Summary:** The majority of participants favored all actions above, except for facilitating the purchase of farmland or development rights from willing sellers. There was support for town action to limit non-farm development, to provide incentives to preserve farmland, to organize locally-grown products activities, and to encourage development consistent with farmland protection. About 43% of participants supported buying land or development rights to protect farmland.

15. Identify by letter up to three items listed in question 14 which should receive priority:	a) Limit non-farm development in productive farm areas	b) Provide incentives for farmland to be preserved, including tax incentives	c) Facilitate the purchase of farmland or development rights from willing sellers	d) Organize activities to promote locally-grown farm products	e) Encourage development that is consistent with the protection of farmland	f) Other	Number of Answered Questions	Percent Answered (out of 434 returned)
