

July 16th, In attendance: John, Mary, Jeff, Alice, Peter, Richard, Bill, Doug;

Absent: M.A and Suzanne

The meeting started at 7:40 and previous minutes of June 4th, June 18th, and July 2nd were approved with slight adjustments.

Some discussion revolved around worries that big developers are trying to come in to Cairo before we have any zoning in place. We will ask Nan about a building Moratorium at our next meeting.

Discuss scheduling future meetings with Nan, i.e. The 2nd and 4th Mondays of each month.

We need to get a book on laws already in existence and match with enforcement.

We need to look at the GOALS on pages 13 to 43 of the Comprehensive Plan. It is suggested that each of us chooses 1 or 2 goals we are most interested in and study all the options, etc. Then when we are in a discussion with folks in the meetings and hamlets, we have a great deal of info on that particular topic.

We made corrections to the Zoning Press Release and notification to residents form.

We need to look at the 2004 recommendations and goals and see which have been updated or changed. Who will enforce the goals? We should check over the goals and see which may take priority. Next meeting, think up questions re. to goals.
