

Agenda

October 2, 2007

Town of Ghent

Comprehensive Plan Committee

- Public input
- Discuss Demographic Information handed out at last meeting.
- Review any comments received by committee members from survey mailing
- Identify milestones and goals for the planning process for the next several months
- Next meeting
 - Health Department representative

Now that we have accumulated the information and started the survey process it is extremely important that we come to these meetings prepared to discuss the data provided in the time between meetings.
